What the coverage protects

Major mechanical, electrical and comfort systems listed in the applicable warranty agreement:

✓ Engine	✓ Transmission	✓ Drivetrain	✓ Cooling system
✓ Fuel system	✓ Steering	✓ Suspension	✓ Braking system
✓ Air conditioning	✓ Electrical systems	✓ Comfort electronics	

How a claim works

01 Visit a repair facility An OEM dealership, independent specialist or certified repair shop diagnoses the concern.	02 Contact the warranty company You or the shop call the number on the contract and give the contract number.	03 Approval and payment After approval, the warranty company pays the repair facility directly for covered work.
--	---	--

HBI Certified is an HBI Auto dealer program, not a manufacturer certified pre-owned program. This is a summary. The issued warranty contract controls coverage, limitations, exclusions, claim requirements and eligibility, which vary by vehicle and term. Questions about a specific car?
